

Conjecture Title Here

One-line subtitle, if useful

Status. Statement: AI-written, not yet formalized.

Category. Fill in the site category here, e.g. *Proof Systems & Succinct Arguments*.

Conjecture (informal). *One paragraph, in plain English, informally restating what the conjecture claims.*

1 The setting

Background and notation, where the problem originates, related work, and progress to date.

2 The conjectures

Formal, self-contained definitions, followed by the conjecture(s) themselves.

Definition 1 (name). State any definitions the conjecture needs here.

Conjecture 1 (name). *State the conjecture itself here.*
